Dear Tom:

Pursuant to para. 18 of the lease option agreement of December 9, 1970 and confirming our telephone conversation of that date, we are proceeding with the cleaning of tanks 37 and 38 and are extending the dikes to include all six of the larger tanks: 23, 26, 35, 36, 37, and 38. A road to and turning area near the tanks are also being constructed as well as a temporary loading rack. The contractors are Iverson Construction Co. and Red & White Construction Co. Please acknowledge.\

Sincerely,

A handwritten signature in dark ink, appearing to read 'DON', with a horizontal line extending to the right.
